

# **Restorative Response** *for those impacted by sudden & suicide death.*

## ***Providing support to survivors and their families.***

**Kris Miner · 715-425-1100 · scvrjp@gmail.com · St. Croix Valley Restorative Justice Program**

Healing after loss can be assisted by connecting with others. Restorative Response services are tools to making coping easier. To make a referral, request services or to join our volunteer outreach program, contact Kris Miner.

### **Restorative Response Resources**

**Guide for Grieving Families** – *The guide is a booklet for new survivors, created for use immediately following a tragic event. Provided to local law enforcement and first responders.*

**Survivor Outreach** – *trained local volunteers are available to meet with families on request offering listening, compassion and understanding. Volunteers provide a connection to someone who has survived a similar experience. Volunteers provide resources, reassurance and hope.*

**Monthly Support Group** – *Offering a safe space for sharing, support and understanding. For past, future & potential members of the Restorative Response Circle series.*

**Talking Circles** – *Provided quarterly in sessions of 6 weeks of Circles. Survivor outreach volunteers provide space for uninterrupted listening, storytelling and a pathway to healing.*

**Presentations/workshops/circles** – *SCVRJP will facilitate Circles or provide training & information on trauma, survivors, healing responses and providing support.*
