Restorative Justice Art & Science

Evidence
Based
Research
provided

Day 1: Preparing Victims/Survivors & Offenders for Restorative Process

- Restorative Justice/Restorative Practices – theory into practice.
- Assessment and screening of participants.
- Facilitation outlines, working with resistance, promoting change.
- Navigating case needed, working with partners, achieving outcomes.

Day 2: Restorative Conferences & Restorative Circles

- Selecting the best process, listening to victims.
- Skills and facilitation of Restorative Process.
- Preparing community participants.
- Case follow-up, evaluation and communication.

Training provided by St. Croix Valley Restorative Justice Program Executive Director Kris Miner. Kris was originally training in Real Justice Conferencing in 1998. She was a founding board member at SCVRJP has been practicing and facilitating Circles since 2002. She has developed successful programs at SCVRJP using Restorative Justice Circle to address teen driving, underage consumption, controlled substance, disorderly conduct. SCVRJP Circles are utilized by area courts, campus, schools, community groups, drug court, and probation.

SCVRJP has trained a number of agencies, schools and individuals in Restorative Justice. Visitors from both coasts have attended trainings in River Falls, WI. For more information please see www.scvrjp.org.
